

Curriculum content  
Cedar Class  
Autumn 2 2024

Monday	Tuesday	Wednesday	Thursday	Friday
PE Reading Books are changed	PE		Forest school Homework books due in. Homework will be handed out.	
Please ensure your child completes their reading book each day at home. They have two independent books they should be able to read on their own and a reading book that they will need support with (this is the book they are currently reading in class). Please write a comment in their reading records to let us know how they are doing at home. Your child must bring their reading packs to school every day. Please ensure all uniform and PE kits are labelled.				
<b>Maths</b>	<b>English</b>		<b>Science</b>	
This half term we will be focusing on addition and subtraction using our scheme Power Maths.	In English we will be looking at the text 'Peter and the Wolf'. Our writing focus will be character and sentence structure.  We will then move on to persuasion.		In Science, we will be looking at Animals, including humans. The children will be able to identify and name a variety of common animals including fish, amphibians, reptiles, birds and mammals	
<b>RE</b>	<b>Computing</b>		<b>History</b>	
This half term we will continue looking at the signs and symbols used in baptism. We will then move onto the topic: Advent/Christmas.	In Computing this half-term, we will learn about Scratch Jr. The children will be exploring block coding using either MakeCode to plan and build a program or Scratch Jr to follow and create an algorithm.		We don't have a history topic this half term however, we will still continue learning about key events that happen in our school calendar.	
<b>Geography</b>	<b>Music</b>		<b>Forest school</b>	
In Geography, we will be looking at the human and physical features of our local area.	In Music we will be focussing on the Christmas Nativity.		Please ensure your child brings in their forest school clothes for Thursdays.	
<b>Other Information</b>	<b>PE</b>		<b>Art and DT</b>	
In Cedar class, we have a display board called 'Special Memories' and the children are welcome to bring in any photos that are special to them or that holds a special memory.	This half term in PE the children will develop and apply their jumping and landing and seated balance through focused skill development sessions, thematic stories and games.  We will then move onto fundamental movement skills.		In Art, we will be exploring mark making and line; working and experimenting with different materials through observational and collaborative pieces.
